

Applicant: Tseng et al.
Application No.: 10/758,628

REMARKS/ARGUMENTS

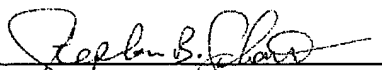

In response to the restriction requirement issued in the February 24, 2005 Office Action, the Applicant elects Group II, claims 1-10, and withdraws claims 11-37 without prejudice.

The restriction seems improper, since there is no additional burden on the Examiner to examine all of the claims at the same time.

If the Examiner believes that any additional minor formal matters need to be addressed in order to place this application in condition for allowance, or that a telephone interview will help to materially advance the prosecution of this application, the Examiner is invited to contact the undersigned by telephone at the Examiner's convenience.

Respectfully submitted,

Tseng et al.
